<http://festival-film-merveilleux.com>

Fouders: Bénédicte Beaugeois Maureen ,Jérémie Beaugeois and
organized by the French Non profit Talulah

The Idea: International Film Festival of the Imagination and
Wonder. . It's a Movies compétition and a programmation of
douceumentary movie short movie, vidéo clip around the thème film
festival (le kaleidoscope)

Where : Paris, FRANCE

When : Halloween 2009 (27/31 October)

Why: For discover and rediscover through the eyes of children, the
beauty and the richness of our world and our civilisations and
discover new talent and news movies.

It's an international features film competition and french shorts movies competition (fiction, animation ...) of recent production.

The Festival promotes films celebrating the imaginary, the Wonder and magic from the entire world and allow us and the section "off competition the kaleidoscope" help to re-discover our different cultures and our planet. We promote the cultural artistic varieties of the world and their civilizations in a fun and magical way.

The theme of the Film festival are magic, the imaginary, the marvelous, the astonishing, the supernatural, the occult, the strange, the esoteric, poetry, the fantastic, science -fiction and myths, legends, comics, manga, video game, dreams...

The kaleidoscope :is a programme of feature films, documentaries, and animated short films. Some of the screenings will be followed by talks/debates about the films and leaflets may be distributed about the themes discussed. Before every length film a short film will be shown. The Kaleidoscope expose and share the magic and beauty of this world and we seek to discover and rediscover through the eyes of children, the beauty and the richness of our world and our civilisations.

Programmation 2009 the kaléidoscope (may be change):

27th October : Around vampire

28th October : Around Fairies

29th October : Around Unicorns

30th October : Around Imagination / Dreams

- French short movies contest

-

International personalities (cinema, science, writing) who make up the jury and President . They participate in some discussions after screenings of films that are out of competition, and award the prizes

The last day is devoted to the award ceremony at a closing night party. Opening the evening there will be a screening of the winner of the short film contest after winning organized by Talulah with the cooperation of the associations and schools of French cinema.

The festival also helps in the promotion and distribution of film works from the whole world, facilitates inter-professional meetings and helps encourage the emergence of young talent.
