It's beginning to Come together In Cannes

And it is all beginning! It is just lovely here and everyday so far brings something new! Today as the cranes reach high on top of the Carlton Intercontinental Hotel Cannes to display the new Spiderman movie the site was a treat to watch as me and others stopped to watch this action take place. As it still hovers in the 60-70's here in Cannes with on and off showers it is still amazing to be here. The stunning ships arriving here is a sight all its own! M...
