Santa Catalina Film Festival is hereby granted the right to utilize an excerpt from any film submitted and accepted for exhibition at the festival for promotional purposes.

The individual or corporation submitting the film hereby warrants that it is authorized to commit the film for screening, and understands and accepts these requirements and regulations.

The undersigned shall indemnify and hold harmless the Santa Catalina Film Festival from and against any and all claims, liabilities, losses, damages, and expenses (including but not limited to attorney's fees, and costs of the court) which may be incurred by reason of any claim involving copyright, trademark, credits, publicity, screening, and loss of or damage to the screening videos entered.

RULES AND REGULATIONS

Payments accepted via mail are by Cashiers Check and Money Order ONLY. Please make them payable to: **Santa Catalina Film Festival**, and write the title of your project on the MEMO area in order to be considered valid (and we can file and track your payment with your project). Please use our submission form on WithoutABox.com if you would like to use credit card.

More than one entry may be submitted. Each entry must be accompanied by a separate entry form and fee. Please do not send originals! We cannot be held responsible for lost submissions.

Premiere status is taken into consideration for every submission. We give premieres a stronger consideration as we are all looking for new and innovative films no other festival has shown yet.

We accept digital press kits, which include: headshot and filmography of director, B&W and/or color stills from the film, press materials, and video trailer (if available). This is NOT required, but preferred.

DVDs and Blu-Rays will be accepted for preview screening. TWO Discs must be labeled with the title, running time, and contact information on face of Disc. Please do not use sticker labels, as those tend to peel off and get stuck in the player. Permanent marker or professional printing (Litescribe or wax/ink print) is acceptable labeling for screeners.

Screeners and screenplays will not be returned.

Please know that your submission will be screened and judged by industry professionals, privately, with each panelist screening the film, or reading the script out of public view. Judges will turn in their scoring sheets, qualifiers will be calculated, and then immediately notified of their acceptance into our festival.

All film entries selected for the event grant Santa Catalina Film Festival the rights to use footage, stills, titles and information from the film for promotional purposes as well as programmed screenings.

All winners will be notified by (approximately) March 31, 2012. All decisions are final. You may enter our festival more than one time, with different projects, on separate submission forms. If you feel one project applies to more than one of our categories, you must submit to both categories separately (as we have different judges for each), or just submit the project to the category you feel it would compete strongest in. Please note that we reserve the right to change these Rules, as well as our Terms and Conditions, at any time.
